TERMS AND CONDITIONS

Please read and sign acceptance of terms and conditions

FEES: Payment of fees is due monthly in advance by direct debit. Time is of the essence. The Governors may require withdrawal of a pupil whose fees are not paid promptly. The Registration fee and any deposit are non-refundable. Fees are reviewed annually, and you will be notified in writing of any increases before the new school year begins. Each person named on the Registration Form and/or having any legal responsibility for the child and/or who has actually paid fees is jointly and severally responsible to pay fees and extras. If your circumstances change you must complete a new Parent/School contract. Parents may exercise the right to withdraw from the School Fees Insurance Scheme and Personal Accident Insurance Scheme by ticking the box on the Parent/School Contract, which initially applies to all pupils.

DEPOSIT: The deposit is payable within one month after the offer of a place. Deposits are held on account and off-set against the final term's fees. The amount of the deposit will be notified at the time of the offer.

NOTICE: Two months **written** notice of the intention to remove a pupil must be given to the Head. **If the proper notice is not given you will be liable for two months fees in lieu of notice and legal action will be taken if this is unpaid.** The school will not be required to mitigate its loss or give credit for the fact that a place has been filled.

CONDUCT: The Head reserves the right to request the removal of a pupil whose work or conduct is unsatisfactory. There would be no refund of fees in these circumstances but no charge would be made for a term's fees in lieu of notice.

GENERAL: Recovery of Unpaid Fees - The right is reserved to charge interest at 2% per month on unpaid fees. All costs incurred in the collection of unpaid fees including our administrative costs and any costs and disbursements paid to solicitors acting on our behalf shall be recoverable in full. **Special Precautions** - Any circumstances giving rise to the need for special precautions to be taken for the protection of the child must be notified immediately in writing to the Head and by a personal visit in case of emergency.

Any indulgence, relaxation or non-enforcement by the school of its rights hereunder shall not act as a waiver. The school prospectus is not part of the contract and the school may from time to time vary any or all of its terms and conditions and may alter the situation and running of the school without any reduction in fees. The Proper Law of this contract and the forum for resolving disputes shall be England. More detailed Terms and Conditions will be sent on the offer of a place at Bluebird Nursery.
